Corvette Challenge Registry

You will find a Complete list of all the VIN numbers for 1988 and 1989 Corvette Challenge race cars and the 1990 World Challenge Cars, this list of numbers will also include the unconverted cars from 1988,1989 and 1990.

There seems to be a large interest in these cars as there is alot of information about these cars, but it has never been compiled in one place where it was accessible by anyone who had an interest in the history or specifics of these cars. Therefore, that is the reason this page has been created to help aid in the search and preservation of this historic information about these factory built race cars.
