

List of MySpace celebrities

Myspace celebrities are those persons or groups who have grown to prominence on the basis of their MySpace profile. This is not a list of celebrities who have a MySpace profile.

;Forbidden aka Christine Dolce

Before you could choose your own "top friends", Christine Dolce generally appeared in people's "top 8" due to her low-numbered profile. Her risque images caused the general public to take note, which lead to a clothing line and appearances on a number of TV shows.

;Ricky Dominguez

Because of Ricky's Myspace profile he now appears in several commercials, reality tv and Guest appearances on several talk shows such as The Tyra Banks Show.

;Tila Tequila

Tila Tequila was originally asked to promote MySpace on Friendster, a site where she was deleted four times for sending unsolicited messages to its members. She eventually became known as "Miss MySpace" and has a reality show on MTV.

;Jeffree Star

Cross-dresser and makeup artist whose extreme style caused people to notice him. Also has a low-numbered profile. Previously called "CUNT".

;Cori Yarckin

One of the most popular bands on MySpace, which she attributes her fame to. She recently performed on MTV's TRL due to her MySpace status.
